RE: Complaint Challenging the Qualifications of H. Doug Everett for  
Re-election to Public Service Commission, District 1

Dear Secretary Handel,

My name is John Monds and I live at 1017 Old Thomasville Road, Cairo, Georgia 39827. The aforementioned address is my personal residence and I am an elector in Grady County.

Pursuant to O.C.G.A. § 46-2-1(b), I hereby challenge the qualifications of H. Doug Everett, candidate for Public Service Commission, District 1, to remain in or be re-elected to said office.

Since January of 2006 Mr. Everett has used several different mailing addresses for disclosure purposes pursuant to elected office in the State of Georgia. The locations of said address' are both within and without District 1 for which he seeks election on November 4, 2008. It is therefore imperative that his actual residence be established.

I hereby submit the following information as support for my challenge:

1. 901 Cordele Road, Sylvester, Georgia 317191, address used by H. Doug Everett on the original candidacy notice and declaration, according to Worth County tax records is currently owned by Blaine Jones, not H. Doug Everett.
2. 2702 North Doublegate Drive, Albany, Georgia 317121, address currently on file with the Secretary of States office, according to Dougherty County tax records is not owned by H. Doug Everett but owned by Micheal C. and Cristen P. Everett and there is a homestead exemption filed by them for this property.
3. 150 Watts Mill Road, Clarkesville, Georgia 30523 according to Habersham County tax records is owned by H. Doug and Janice Everett. However, this property is not within District 1.
4. According to campaign disclosure expenditures Mr. Everett rents/leases lodging in Atlanta on a continuous basis, also not in District 1.
5. Mr. Everett also uses P.O.Box 55034, Atlanta, Georgia 30308 for mailing purposes. Again, not in District 1.

It is very reasonable to ask Mr. Everett to come forward and provide evidence of his residency. I ask that you use all means within your power to expeditiously resolve any questions that exist concerning this matter.

Sincerely,

John Monds
